## *Board Of Education*

## SENIORS;

A good education for all boys and girls seems to be discussed by more people and in a more sincere manner today than ever before in our history. It seems that America itself has begun to realize that its difficult problems and the many challenges that face all of us are going to have to be solved by men and women who have a good education. Of course, this good education must include good citizenship and everything that goes with the term. Scholarship, together with character, is of more importance today than it ever has been before.

Up to now you have met all requirements to become a senior in an excellent high school. You are prepared to continue your education in a splendid manner at higher levels if you so desire. It is incumbent upon you to do your best and contribute the utmost to your community, to your state, and to your nation to the end that our country may remain the strongest and the freest nation on this earth.

As I have indicated before to seniors, I envy you for the many wonderful challenges and opportunities that you will encounter during the next thirty to seventy-five years. Good luck and the best of everything!

Harry D. Simmons,  
Superintendent of Schools

## SENIORS OF 1961: CONGRATULATIONS AND "TILL WE MEET AGAIN."

The class of 1961 has been, is, and will continue to be a great class—great in numbers, but what is more important, great in spirit, integrity, and cooperativeness. I have appreciated your efforts, enjoyed your presence in Central, and wish you much success and happiness in the future.

Now that you have graduated and are looking forward to a new life adventure, it is well to note that the good Lord put your eyes in front of your head, so that you can look forward most of the time.

What is behind you is important only as it helps you to move forward more successfully. Your eyes are in the front of your head, but you can turn your head and see both the mistakes you have made and the good things you have done. You can learn from them and profit. No one can be sure what lies ahead, but you can look forward with the courage that comes from faith in your ability to meet any challenge. You can make the future yours, for "You are the Captain of your Soul, the Master of your Fate." May the Good Lord be with you throughout your life's journey.

Roughers.....	28	Okmulgee .....	13

The 1960 Roughers met their first defeat in Oklahoma Six Conference play to the Bartlesville Wildcats in a heart-breaking 6 to 8 ball game October 7. Quarterback Mike Sheets broke the Roughers into the scoring column early in the game with the Roughers' only TD, but the Wildcat eleven came back in the fourth period of play for the win.

Mike McElreath's three TDs led the Rougher squad to a 28 to 13 victory over the Okmulgee Bulldogs October 14 at Indian Bowl. Sophomores dominated the scoring column as David Stevenson went in for the Roughers' fourth touchdown.

The Sand Springs Sandites then fell to the Rougher squad 14 to 5. McElreath once again sparked the

team with two touchdowns. Highlight of the evening came when James Fish intercepted a pass on the Rougher five, and ran to the Sandite nineteen yard line.

November 4 held another heart-breaker for the Roughers as the Tulsa Central Braves scored a 13 to 12 victory in Skelly Stadium. McElreath and Harvey Fullbright made six points each for the home team, but the Braves' extra point kick three minutes before the game ended crushed all hope for a Rougher win.

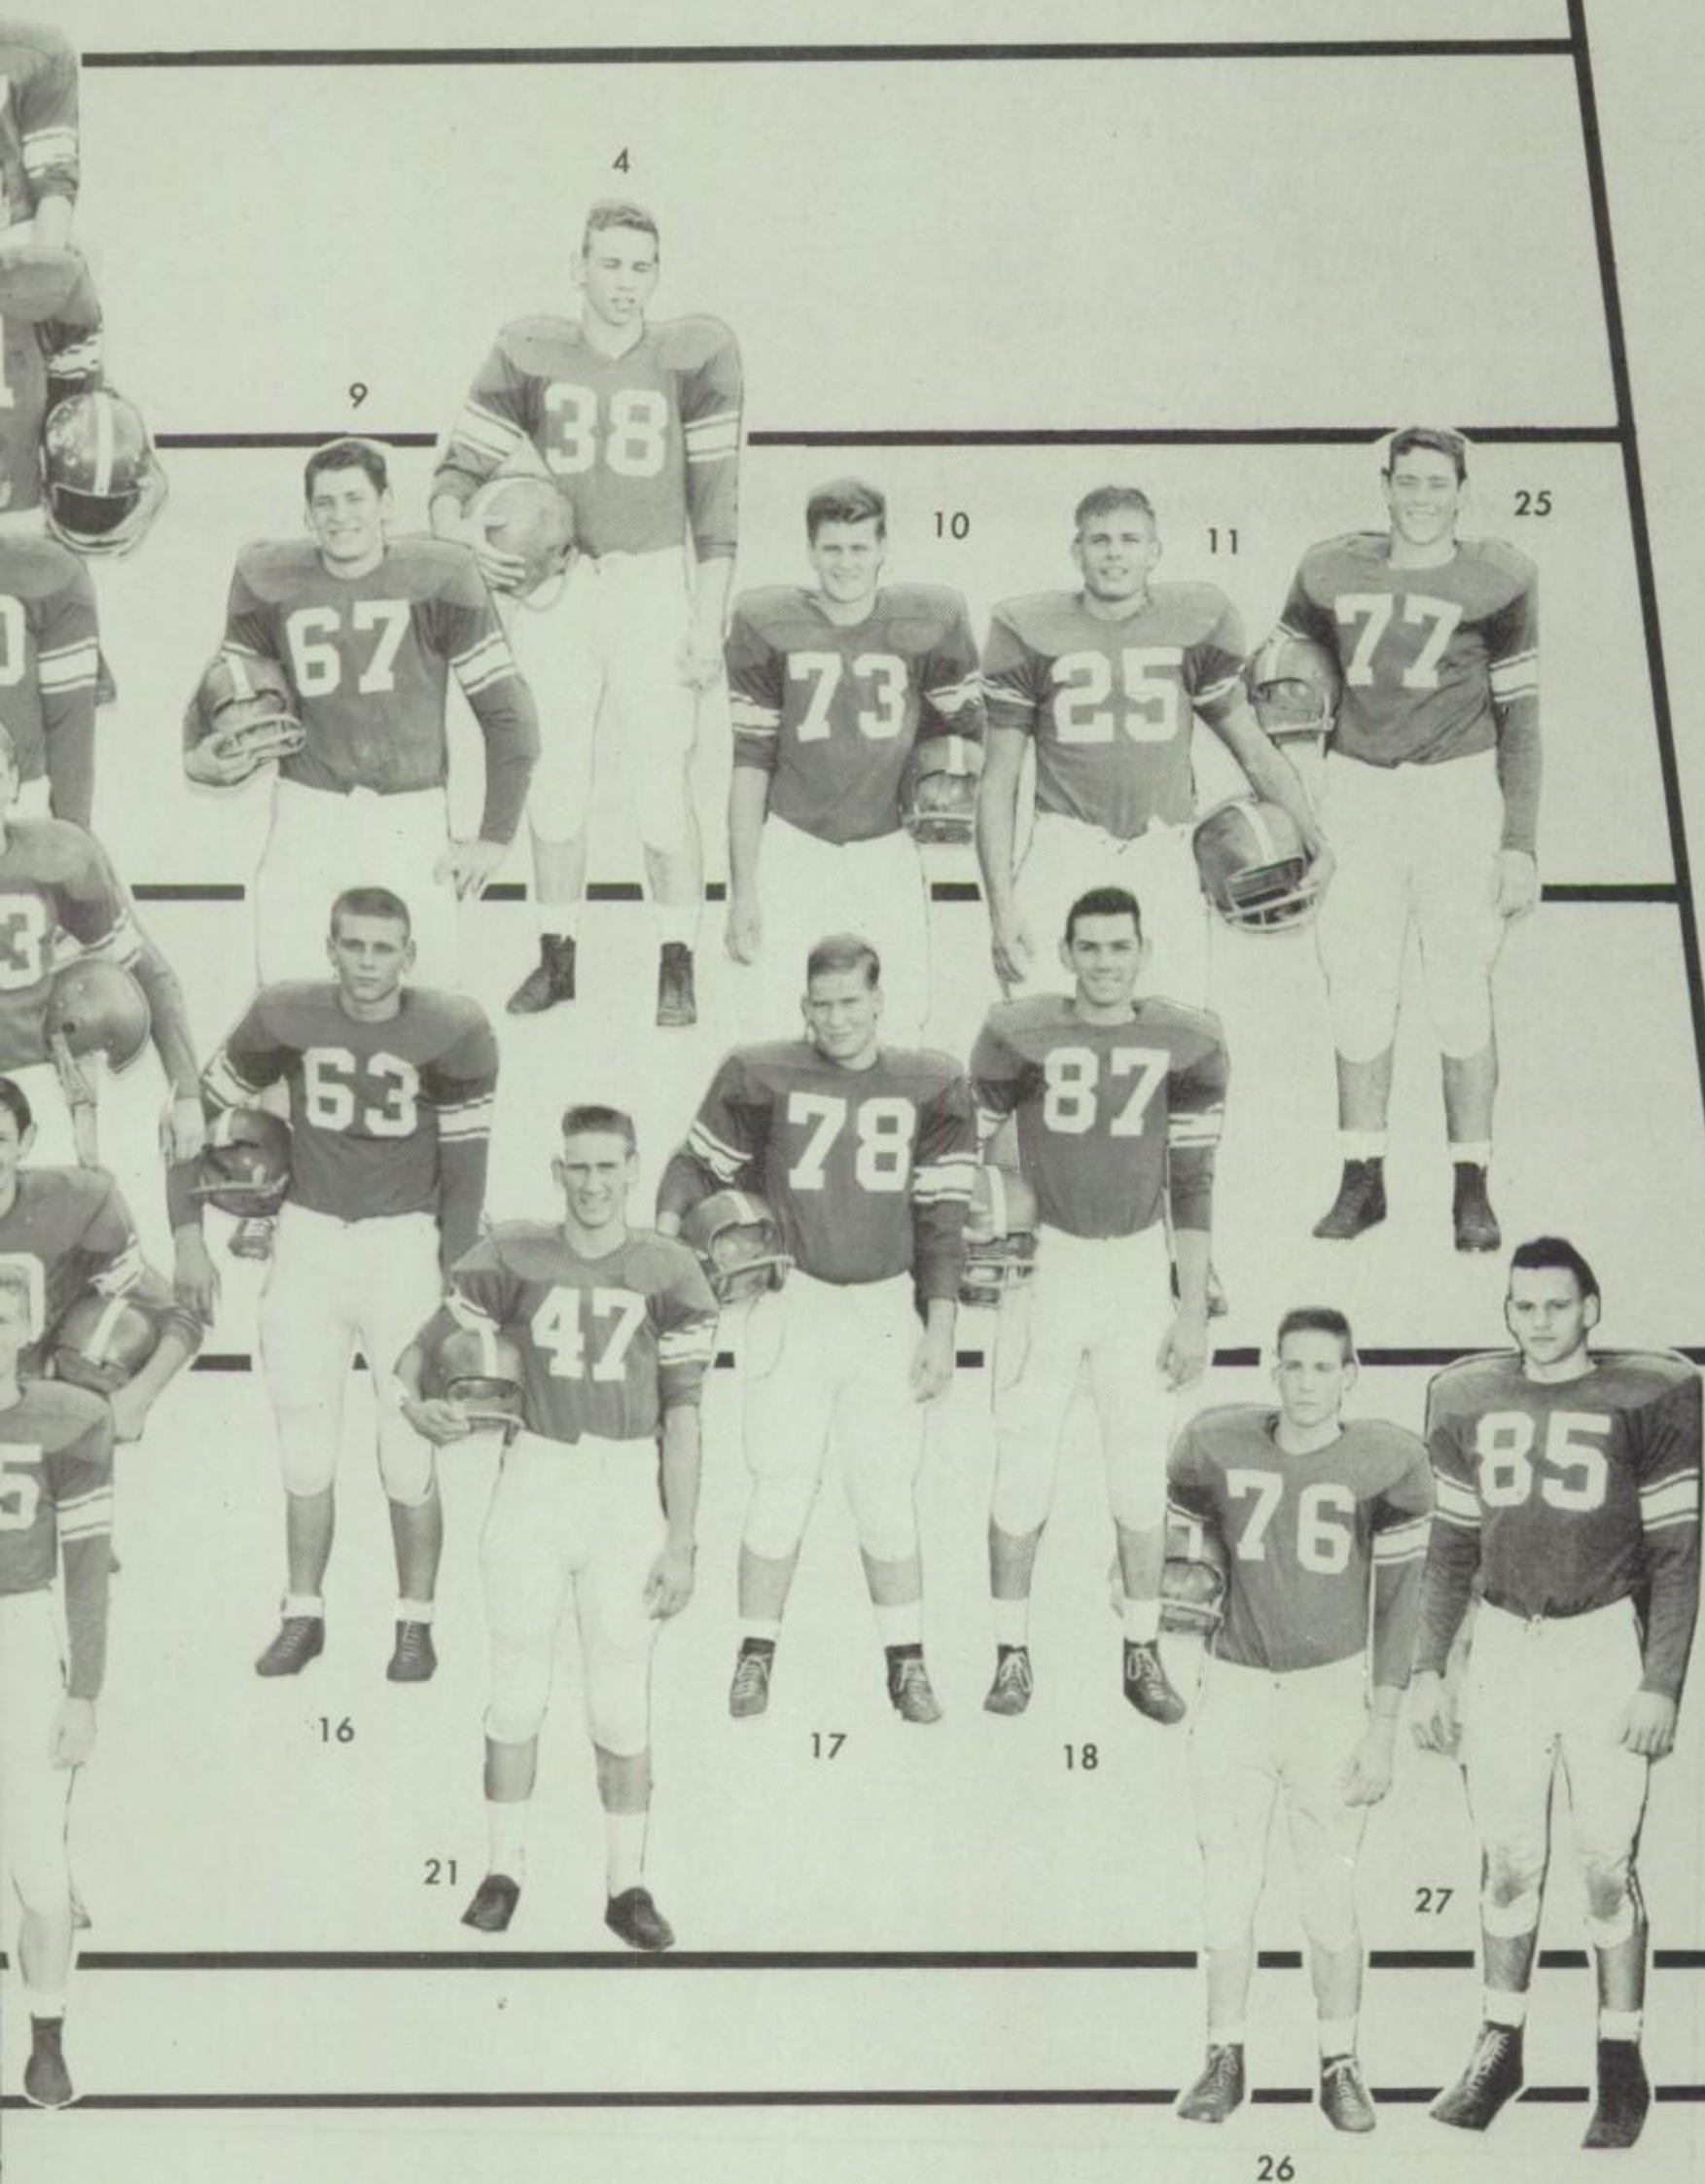

Wins over Sapulpa and Cushing ended the Rougher season with a 3 to 1 conference record and a 5 to 5 record in season play.
